Banda: The 6ths

Música: **Just Like a Movie Star** Álbum: Hyacinths and Thistles Gravadora: Merge Records

I spent all day dreaming of the way I'd like to hold you
So I got absolutely nothing done but it was so much fun
And have I told you how beautiful you are tonight?

Just like a movie star

How beautiful you are tonight

Just like a movie star

Quit your job, dear
Then you can stay here at home beside me
You be James Dean, I'll be Sal Mineo
You can hide me

How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star How beautiful you are tonight Just like a movie star
